

THE PREMIER BRAND OF TAMPER EVIDENT SECURITY PRODUCTS

BOX SECURITY

Boxes and Packaging are easily and cost effectively sealed by the simple application of a Dual Layer Label Lock™ security seal. Designed to deter unauthorized entry, these seals will show a clear 'opened' message if removed.

Each innovative and cost-effective security label is uniquely numbered to prevent fraudulent replacement and allows each label to be logged.

Peace of mind for both the sender and recipient as well as an effective deterrent to anyone who comes across the package in transit.

If you have plastic reusable packaging then try our No Residue Label Lock™.
