

THE PREMIER BRAND OF TAMPER EVIDENT SECURITY PRODUCTS

COMPUTER/CABINET SECURITY

No Residue LabelLock™ security labels prevent unwanted interference to computers, disks, cabinets and panels, which may require multiple accesses during a long lifecycle.

Each innovative and cost-effective security label is uniquely numbered to prevent fraudulent replacement and allows each label to be logged.

Gone are the days of unsightly residue on doors, panels and windows. Label Lock™ labels void effectively and leave no residue!

Designed for use in challenging environments, LabelLock™ labels have been tested to withstand temperatures of -40C and are suitable for securing multiple types of surfaces, from plastics to powder coated metal cabinets.
